September 24, 2019

Dear Alina Tagirova,
Saint Petersburg State University

It is our great pleasure to invite you to Tokyo Institute of Technology, Tokyo Tech, as a participant of EPS-ELSI joint Winter School 2019 "Evolution of Earth and Life".

1. Date: December 2 – 6, 2019
2. Venue: Tokyo Institute of Technology
1,2-12, Ookayama, Meguro-ku, Tokyo, 152-8550, Japan
3. Travel Expenses: Tokyo Institute of Technology will bear the round-trip airfare, roundtrip train fare between the airport and the accommodation.
Tokyo Institute of Technology will bear the accommodation fee and daily allowance.
4. Visa: You are also requested to take the necessary steps to apply for a passport and appropriate visa. Please note that tourist visa should not be applicable.
5. Overview: With the support of the Tokyo Institute of Technology Faculty of Science, and in partnership with the Earth-Life Science Institute and the Tokyo Tech Department of Earth and Planetary Sciences, attendees will have the opportunity to attend interdisciplinary lectures by world-renowned researchers in fields from planetary science to geology to biology and chemistry, to go on field excursions, and to work together on short research projects with a faculty mentor. Attendees will all stay at the National Olympics Memorial Youth Center in Yoyogi, and thus will have an opportunity to connect with other attendees around the world, as well as fellow students from Tokyo Tech.

I am looking forward to your stay in Tokyo.

Yours sincerely,

A handwritten signature in black ink that reads "Kotaro Yamada".

Kotaro Yamada
Dean of the School of Science
Tokyo Institute of Technology
