The Rector

To Prof. Nikolay Kropachev
Rector
St. Petersburg State University
7/9 Universitetskaya nab.
St. Petersburg, 199034 Russia

Bologna, November the 29th, 2019

Dear Mr. Rector Kopachev,

I have been informed yesterday that the President of the St. Petersburg State University, prof. Ljudmila Verbickaja, recently passed away. We are very sorry to receive this sad news.

We keep, in fact, a vivid memory of her, as a prominent phonologist and linguist as well as a Rector of your University from 1994 to 2008. She gave a strong contribution to the reinforcement of our bilateral cooperation, visiting our Campuses, promoting a meeting in Bologna with her prorectors and deans, receiving a Honorary degree in Forlì, developing vivid scientific ties with our colleagues as prof. Haisa Pessina Longo and the Faculty of Foreign Language, prof. Guido Gambetta and others. She had also enthusiastically promoted our joint diploma MIREES with your Faculty of International Relations, then becoming an active member of its advisory board. Brilliant speaker and effective manager, she manifested a great energy and a worldwide-recognized scientific knowledge.

In consideration of the intense bonds we have developed in the years with prof. Verbickaja and with your University, and considering the great esteem we had with this distinguished personality, please receive our deep condolences

Your faithful,

Francesco Ubertini
